The Endowment Fund

•

Those, whose lives have been influenced by their worship at St. Mark's, can express their gratitude by memorial gifts to the Endowment Fund.

Those, who feel close to loved ones who have passed beyond, can feel still closer to them by memorial gifts to the Endowment Fund.

Direct or residual estate legacies in wills can assure the continuous effectiveness of the Church work in which the makers of the wills have been interested.

Flowers at funerals are an expression of love and respect but flowers are so soon gone. Memorials in the Endowment Fund are lasting and continue the influence of the deceased for all time.

All gifts to the Endowment Fund are placed on the collection plates and consecrated for their specific purpose at the Altar.

Biographical Sketch

Dr. John Robbins Hart was educated in the Frankford schools, at Northeast High School and the University of Pennsylvania, where he received the Bachelor of Arts Degree; later his Master of Arts in Sociology and Economics, and his Ph.D. in Psychology. He studied Theology at the Philadelphia Divinity School.

After graduation was one of the founders of the Inter-Church Federation of the Campus and was Chaplain to the Episcopal students, and to the athletic teams.

Spent four years as a part-time adviser to the cadets at West Point.

Is the author of "Valley Forge During World War II" and "Fourteen Reasons Why I Believe in God".

He is Vice-Chairman of the Speakers Research Committee for the United Nations and a member of the Mental Health Council of Philadelphia.

Dr. Hart is now Rector of the Washington Memorial Chapel, Valley Forge, president of the Valley Forge Historical Society and founder of the Valley Forge Music Center.
